HOW GOD BROUGHT THEM TO THE WORLD

Nudes of sophistication and in all its glory. You can cook the four classic ways to prepare fish most respected its original properties.

Fittings are in function to the season, fish market and market.

grilled (with aromas of roasted oak) **or grilled**

to Galician (boiled with potatoes cooking, garlic and red peppers)

to Donostiarra style (grilled with fried garlic, a little vinegar and chilli)

baked (with potatoes and sautéed diced tomatoes and some vinegar)

The fish can be cut into slice or trunk or boneless loin
